Experience

Lunch and Supper

Server

2018-Present
Richmond, VA

Efficiently and courteously served diverse guests in a very fast-paced restaurant, regularly ensuring exceptional dining experiences for up to 150 guests daily

Key Accomplishments:

- Progressed from hosting to serving in late 2020 after demonstrating exceptional customer service skills, ability to create a welcoming atmosphere, and validating my reliability
- Ensured customer satisfaction by assisting them with orders and collaborating with both front and back of house colleagues to create positive guest experiences

- Managed high-volume serving atmosphere with composure and multitasking, handling sales volume in the range of \$1000 to \$2200 hinging on the day of the week and the shift.

Education

Full Stack Web Development Certificate - University of Richmond Richmond, VA

Bachelor of Business, Focus in Real Estate - Virginia Commonwealth Univ. Richmond, VA
